“Welcome to Bishop Wilson, we’d be delighted to show you around our lovely school so that you can see first hand what makes it such a special place.

Bishop Wilson Primary School is a warm, caring church school where the children are at the heart of all we do.

We are Federated with Christ Church Primary School and work closely together to provide the best possible opportunities for our children.

Welcome to our school

Bishop Wilson School has a long history of high quality education. We continue this tradition by providing today’s children with an enjoyable and enriching experience which equips them for lifelong learning.

Our village school promotes Christian family values alongside academic excellence. We encourage the involvement of parents, and believe that the development of a partnership between home and school is vital to the success of a child’s education.

As a part of the village community, we aim to provide a stimulating and safe environment where all children can reach their potential, not only academically, but socially, physically, emotionally and morally. We hope that children who begin their education with us will develop independence of thought, a love of learning and a quiet confidence in their own ability, which in turn will enable them to succeed in the future.

Vision and mission statement

The joy of the Lord and our Christian Values help us to flourish in school and in our community as communicators, explorers, readers and believers.

Within God’s family we nurture, teach and support each other, opening doors for all.

Mrs Davies, Executive Headteacher

Mrs Roberts, Head of School

SIAMS 2024

‘Pupils demonstrate a clear understanding of the vision and values. It makes a positive difference to them. Hence, high levels of dignity and respect are enjoyed by both adults and pupils.’

‘The joy of the Lord is your strength’ Nehemiah 8:10

About our school community

We have strong links with the parish church in Burton and Reverend John works closely with the school. He comes in regularly to deliver acts of worship and provides pastoral support for our children, staff and families.

Each year we like to take the choir to sing in local venues such as the church and residential homes for the elderly.

With Neston High School we offer enrichment days for the children. We also work with local church schools to develop our ethos work as a Christian school and take part in sports competitions.

It's all going on..

from sports day to RSPB trips, being a scary Roman soldier, residential visits, World Book Day, Mad Science and more.

Visits, trips, activities and other adventures

At Bishop Wilson we work hard to bring learning alive—either in the classroom or through trips and visits. We have a wonderful working relationship with the RSPB locally and other local sites.

Children in years 5 and 6 have the opportunity to attend a residential visit with their class joined by the year 5 & 6 children from Christ Church Primary School. This is a wonderful experience for all our pupils.

Learning in and out of the classroom is important

“Learning is fun at
Bishop Wilson”

“We enjoy being in
classes of different
ages”

Children’s quote

Learning and achievement

Each year we aim to give the children lots of opportunities in and out of the classroom. We take part in a range of competitions from football to Boccia to name a few! Whilst taking part is the most important aspect we are also proud of our achievements and successes!

Preschool and S4YC

Working in partnership with S4YC means that we can offer nursery and preschool for children aged 9 months—4 years, breakfast and after school clubs and holiday clubs.

Working closely with S4YC preschool staff ensures that transition into the first year of school is as smooth as possible. We enjoy working together throughout the year and sharing exciting learning opportunities.

“Family at Bishop
Wilson is
important!”

Parent quote

PTA

We have a very committed group of parents who organise some superb activities for the children throughout the year. They organise the summer and Christmas Fairs as well as many other events and activities. Everyone is Welcome!

Over the last few years they have raised money for iPads, interactive smart boards and outdoor play equipment. Most importantly, the children have had great fun using them.

Admissions and next steps for our children

We aim for our year 6s to leave us having had a wide range of experiences and being ready for High School. Most of our children move on to Neston High School, some also go to Grammar Schools on the Wirral or Bishop's Blue Coat in Chester.

Our admissions policy is in line with the application process which is documented in the 'Starting School in Cheshire' booklet available from Cheshire West and Chester Council. To apply online please visit:

www.cheshirewestandchester.gov.uk/admissions

The school office are happy to help with any queries you may have, please do not hesitate to call.

"The staff are really helpful and approachable, it helped us all settle in quickly."

New parent quote

"The end of year production is a great way to finish our time at Bishop Wilson"

Come and Visit..

The best way to find out more about our school is to come and see us for yourselves. We welcome parents and carers who wish to look around our school or talk to us.

To do this please contact the school office:

Tel: 0151 336 3396

email: admin@bishopwilson.cheshire.sch.uk

We look forward to meeting you!

“We want the children to be inspired and inspire others”
